

A photograph of a business meeting. Two people are seated at a wooden desk. One person is writing on a document with a red pen, while the other is pointing at a diagram on the same document with a yellow pen. A laptop is open in the background, and another laptop is partially visible in the foreground. The scene is lit with soft, natural light. A dark grey diagonal overlay covers the left side of the image, containing text and a logo.

PRODUCTS & SERVICES OVERVIEW

workforce go!TM

About Workforce Go!

Think of us as the experts who can help you get payroll, people, and time done right. We provide a portfolio of cloud-based and on premise human capital management (HCM) solutions that integrate with Sage ERP and other accounting systems.

Let us be your attentive partner. We will take the time to find out what makes your organization and people tick and truly listen. With an unwavering passion for customer success, our team is dedicated to standing by your side every step of the way. We look forward to streamlining processes for those businesses with the most complex needs. When you turn to us, we'll make it all seem simple.

Reasons to choose Workforce Go! HCM

UNIFIED PLATFORM

Recruiting, HR, timekeeping, scheduling, payroll, and more

- Single employee record
- Single login access to system capabilities
- Common user interface, database, workflow, reporting engine, and security

SINGLE VERSION OF TRUTH

Single-source access to all employee data

- Eliminate error-prone duplicate data entry, data inconsistency, and risk of noncompliance
- Reduce reporting complexities
- View key data in real time with configurable dashboards

ENGAGED WORKFORCE

Streamline HR administration and simplify compliance so you focus on people, not processes

- Address the needs of your entire workforce
- Enforce policies accurately and consistently
- Empower employees with self-service tools

**Workforce Go! Human Capital Management (HCM) Solution:
One Unified Platform for the Entire Workforce**

We've got all your HCM complexities handled
