

Pink Soles *in Motion*

April 27, 2023

Workforce Go,

We at Pink Soles In Motion would so very much like to thank you for your generosity with time and manpower to tie Prayer Blankets to be donated to Chemo patients.

Your employees did an excellent job and went above and beyond.

There were 15 blankets completed. Amazing!

There were 8 blankets that were donated on April 18th along with 5 more and 13 Chemo Care bags to Moncrief Cancer Center in Fort Worth.

It is the Community Outreach goal to make a donation of this kind 1 time per quarter, so we will be donating the remaining 5 blankets at the end of June to Texas Oncology in Las Colinas.

We are so appreciative of you and your support in this ongoing battle to end cancer.

Thanks again,

Sandy Saucedo
