

# Earn up to \$9,600 in tax credits for **every new hire**.

We take care of the hassle. You get the credit. **It's as simple as that.**

**The Work Opportunity Tax Credit (WOTC) helps businesses offset hiring costs by giving you a tax credit for hiring qualified applicants.**

New hires from these target groups may qualify your business for the tax credit:

- Veterans
- Long Term Unemployed
- SNAP (Food stamp) Recipients
- TANF (Needy families) Recipients
- Ex-felons
- Supplemental Security Income Recipients

**HireCredit helps you...**

**SAVE MONEY** by finding tax credits on your new hires.

**MAKE BETTER DECISIONS** by providing you with real-time results and accurate data on what credits you have earned prior to filing.

**MAXIMIZE RESULTS** with our industry-leading technology that ensures you are getting the most credits possible.

The HireCredit platform screens applicants, handles the necessary compliance documentation, and performs all the credit calculations for you. HireCredit can easily integrate with your existing ATS and HR software to generate great results with no hassle on your part. We take care of everything — you just sit back and get all the credit.
