The screenshot shows the 'HR Support Center Dashboard' with five main sections: 'Calculators', 'Employee Handbooks', 'HR Fitness Test', 'Job Description Library', and 'Minimum Wage Map'. Each section includes a brief description and a 'Go to [Tool]' button. The 'Calculators' section says 'Many aspects of HR require an employer to work with numbers. Our calculators will assist you in getting the correct results for several different HR metrics and ACA calculations.' The 'Employee Handbooks' section says 'An employee handbook is an essential tool for every organization to communicate its policies, values, culture, and expectations. Use our tools to create one for your organization now.' The 'HR Fitness Test' section says 'Identify your organization's HR strengths and vulnerabilities with our HR Fitness Test tool. It only takes a few minutes to complete and gives you a comprehensive look at where your organization stands.' The 'Job Description Library' section says 'Job descriptions communicate the responsibilities and expectations for your staff. They provide a crucial tool for both new hires and for managing your existing employees.' The 'Minimum Wage Map' section says 'View our interactive map to see minimum wages across the country, including notes on when they are scheduled to change.' The bottom of the dashboard has a grey bar with the text 'HR Support Center Dashboard'.
